izing federal food programs as steps toward a comprehensive nutritional policy.

Another co-director, Mike Nichols, figures there are two other trends: "larger and more diversified organizations increasing their market shares and less product upgrading." Nichols said: "If you spend more for steaks instead of hamburger or more at the restaurant than you would for the same meal at home, that's called upgrading and as food prices go up in relation to other goods and services, spending for upgrading slows."

As if we all did not have enough problems, the picture gets fuzzier as the Govt. meddles. Since USDA's Carol Tucker Foreman decided to nominate herself head nanny for all the school kids and other equally eager beavers in Govt. have been able to twist the language around so that what used to be breakfast food, or snack food, has all of a sudden got to be Junk Food, and other Bureaucrats have made us aware that just about every thing we do, eat, wear or breathe is deadly and or to be eliminated or at least carry a warning label.

label. This present flap over nitrates & nitrites is a good example. We have had more trouble than we care to think about from food poisonin', viruses and belly aches of one kind or another as we have wended our weary way up & down the highways & byways as a news person over these many years. Frankly, we have read all about how most of the simple joys we have in food and drink and tobacco are gonna kill us dead as sure as fate. However, since the Govt. has decided to regulate just about every thing, we have been doin' considerable thinkin' about how they ort to handle their end of this business. If it comes to a choice between what I like and want to do and what the self-appointed Dictators in Washington think I ort to be doin', I figger we can work out a stand-off with which both of us can live with. All they got to do is folter the program they use on cigarette. Just print a warnin' label on meat with nitrates and I'll let someone else enjoy the hotlun with their nitriteless meat. The same with sugar, snack food, etc. Just warn me, and I'll self-destruct if I feel like it.

## Hay Situation Becoming Critical

percent below normal in some areas, with a drop in production of 30 to 40 percent common in most counties," points out Dr. Neal Pratt, forage specialist with the Texas Agricultural Extension Service. This, following a severe winter that necessitated heavy feeding, has left hay stocks extremely low.

"Unless we get some good rains quick, there will be little more hay made this year," adds Pratt. "So producers will have to make some choices soon on feed for their livestock this fall and winter. Hay is available from other states but the cost is high. Grain supplies are good and prices should be reasonable, so producers may want to consider stocking up on grain and other feed supplements. Of course, winter pastures can also take some of the pressure off feeding if there is sufficient moisture."

## Cattlemen Urge Import Quota Law Changes

passage of an amendment to the Meat Import Quota law that would complement the supply of domestic beef. Texas Cattle Feeders Association directors joined in this effort.

The group, headed by TSCRA Vice Presidents John S. Cargile of San Antonio and Frates Sealington of San Antonio, found excellent response from their congressmen in favoring the establishment of a formula for importing more beef when domestic supplies are low and less when those supplies are high. The cattlemen also urged the lawmakers to restrict the President's power to intervene.

The Texans were joined by 100 live-

stock producers and feeders from other states belonging to the National Cattleman's Association in this effort to correct the present Meat Import Quota law, said Cargile. Larger imports of beef are currently allowed when domestic supplies are low. This, Cargile said, has the effect of either driving prices unnecessarily high or drastically low. The need for restrictions on presidential power to suspend the law was dramatically illustrated this summer when President Carter's decision to suspend the Meat Import Quota law, at a time when cattlemen were just recovering from four years of depressed prices, created an adverse psychological impact on the cattle industry. The result was artificially depressed prices.

"The result of employing the amendment we favor would be a market that both the consumer and producer could depend on for fair prices and profits," added Cargile.

Twenty-five years ago the typical grocery store handled about 3,750 items.

## QUALITY MOST IMPORTANT

One thing stands out among things we have learned as an Angus breeder, farm manager, and sale manager. That one thing is that there is no substitute for Quality.

Here at UT Farms, we have been building a quality herd over the past several years. Now our herd is producing so consistently that we are able to offer some of our very best females in this first "New Era" Sale at UT Farms. Dr. Greer and I decided a long time ago not to sell any cattle until we could offer those worthy of the UT Farms name and tradition.

You will find many attractive 3-in-1 combinations in the sale, great cows with calves at side and bred to the popular young Champion, Sayre Patriot.

#### Texas Cattle Feeders Maintain Balanced Supply of Cattle

(CONT. FROM PAGE 1) ing an excellent job of keeping their yards free of over-finished cattle. "In fact, there is already pressure for selling cattle due to be ready in October," said Kuker. "Some yards are already delivering cattle they'd planned to feed into next month."

Kuker said a strong live cattle market the last couple of weeks is evidence that there is no surplus of market-ready cattle in feedyards.

"While the futures may take these on-feed figures pretty seriously, one basic fact remains: Our non-fed slaughter is down, and it's going to take more fed cattle to meet demand for beef. Thus, there is no reason for feeders or anybody else to worry much over increased on-feed numbers."

The USDA report showed there were 7,855,000 head of cattle on feed in the seven major feeding states as of Sept. 1. That is about 16% more than were in the pens a year earlier. Of the total, 1.7 million were placed during August — 16% more than a year earlier.

August marketings, at 1,553,000, were about 3% higher than the year before.

In Texas, there were 1.9 million head of cattle on feed Sept. 1 — the same as were in the feedyards there a month earlier, but about 350,000 head more than a year earlier.

#### Beefersendum Drive Being Organized

(CONT. FROM PAGE 1) Beef Research and Information Act. The second phase will be a campaign for a favorable vote on the beef order in a referendum conducted by the U. S. Department of Agriculture.

Directing the 'Beefersendum' effort at the staff level will be John Huston, currently vice president of the National Live Stock & Meat Board and secretary of its Beef Industry Council. Huston will be on a leave of absence from the Meat Board beginning Oct. 16. And, as Beefersendum executive director, he will devote full time to the industry-wide campaign.

One of the first steps in the 'Beefersendum' (as the total effort has been called) was taken Sept. 8 at a Chicago meeting called by McDougal. Representatives of 12 other national organizations were invited. They were the American Farm Bureau Federation, American Meat Institute, American National CowBelles, Independent Cattlemen, Livestock Marketing Assn., National Farmers Organization, National Farmers Union, National Grange, National Independent Meat Packers Assn., National Live Stock & Meat Board, National Milk Producers Federation and River Markets Group.

It was agreed at the meeting, McDougal said, that NOA would function as a catalyst in carrying out the all-industry Beefersendum campaign. Each national organization was asked to name a member to the Beefersendum Advisory Group.

# NEWS about LIMOUSIN

## Around The Limo Loop

By KEN HOLLOWAY and BRUCE BROOKS

Usually as we start our monthly Limo-Loop conversation, there is some mention of our weather. Well, the weather hasn't changed in the great southwest in so long, we can well summarize it in three words... HOT AND DRY! And besides, we need the space to acquaint you with the many, many upcoming Limousin events.

To start the ball rolling — on Thursday, Sept. 28, the Limousin spotlight will fall at the State Fair of Oklahoma with the Oklahoma Limousin Exposition Show. Since no sale is scheduled, this will be an excellent opportunity to see the premiere showing of many of the outstanding cattle to be exhibited this fall.

The following week will find us at the Tulsa State Fair on Oct. 5, for the Open Limousin Show; again no sale is scheduled.

Oct. 7 is the day chosen for the Ozark Classic. The Classic will feature a tremendous offering of Limousin including several bred fullblood females, many with calves at side, as well as an excellent offering of American Purebred females, both bred and open. These cat-

tle are being consigned from many of the top breeders in Northeastern Oklahoma and Northwestern Arkansas. Be with us at the Royce Nease Ranch, Gravette, Ark., for the Ozark Classic.

The Limousin market has been very strong and in demand in most all of the '78 spring, summer and early fall Limousin sales. Recently, at the Bates Limousin Ranch was once again proof of the demand for quality percentage Limousin. After a day long active sale, and a great crowd, the end result was 178 lots selling for an average of \$1018.

Just prior to the Bates Sale, Wiggins Ranch Company held their "Service of Champions" Limousin sale. Again a large crowd was on hand with their "bidding shoes on" to sponsor the WRC program. At the end of the day 118 lots passed through the auction arena for a strong average of \$1087. Don't forget the Oklahoma Limousin Bull Test to begin Oct. 7, 1978, at the Connors State College facility, Warner, Okla. The test will conclude in March '79, with a sale for the test bulls scheduled in April. However, it is not mandatory to sell. For further information concerning the bull test contact Hal Malow, both bred and open. These cat-

## WRC SEZ... "Thanks Again"

We at Wiggins Ranch Co. would like to take this opportunity to thank each and every buyer at our recent "Service of Champions" Limousin Sale.

WRC cattle sold to 44 buyers from 7 states. The excellent crowd and active sale is evidence to us at Wiggins Ranch Co. that we are on the "right track" with a great breed of cattle. Again we thank you for your participation and support of the WRC Program.

Whether you are in the market for fullblood or percentage Limousin, one or a truck load, we invite your inquiry into the WRC Progressive Program.

## Marvin Nichols To Judge \$20,000 Limousin Futurity

MARVIN NICHOLS

Marvin Nichols of Ankeny, Iowa has been selected to judge this year's World Limousin Futurity at Kansas City, Missouri on Monday, November 13, 1978. The show will be held in conjunction with the American Royal and the Annual Limousin Convention and is scheduled to start at 8:00 a.m.

Marvin is known around the world as a competent judge of cattle and has judged several national shows for many different breeds. Marvin is a veteran showman and has shown many grand and reserve champions of his own. He is a well respected Charolais breeder and is a partner in the Hawkeye Breeders Bull Stud. ## Budrick Farms... We Just Plain Proud

Yep, we're proud here at Budrick Farms and we think we have a right to be. We're proud that we have had the opportunity to be a part of one of the fastest growing breeds in the U.S.

Limousin cattle have definitely made an impact on the beef industry, proving their worth by increasing weaning weights and improving carcass quality.

Even though Budrick Farms is in a stage of transition — becoming totally a fullblood operation, the transition has been made in an upbreeding situation — starting with foundation cows and progressing through to the purebreds. Granted, this process has taken several years, which allowed us to more closely observe every trait. After all of this... the more we breed 'em, the better we like 'em.

So, by the way, anytime and we're sure

## Ozark Limousin

### Classic at Gravette

### Set For October 7

Gravette, Arkansas — The Ozark Classic Limousin Sale will be held Saturday, October 7, 1978. Sale time is 1:00 p.m. at the Royce Nease Farm near Gravette, Arkansas.

Selling will be 125 lots of outstanding purebred and percentage Limousin cattle from some of the most prominent Limousin herds in Northeast Oklahoma and Northwest Arkansas. The offering includes 5 fullblood Limousin bulls, 2 American purebred bulls, 8 fullblood cows with bull calves and 2 fullblood cows with heifer calves. Also selling will be one 7/8 cow with 15/16 bull calf, 3 open 15/16's, 22 bred 7/8's, 80 Open 7/8's and 18 three-quarter cows with 7/8 calves. The balance of the offering is made up of 10 bred 3/4 cows, 9 open 3/4 heifers, 5 halfblood cows with calves at side and 15 percentage Limousin bulls.

Consignors are Carter Smith, Nease & Son, O-Bar-Dex, Hilly Acres, and Sloopy Acres.

For information contact the sale management, American Cattle Services, Route 2, Chattanooga, Oklahoma, 73528, 405/385-3008.

Courtney, Madill, Ok.

Again the Oklahoma Limousin Association will sponsor a Limousin federal sale, Monday, Oct. 23, 1 p.m., at the Oklahoma City Stockyards, Oklahoma City, Okla. Last year's sale saw calves sired by percentage Limousin bulls sell for \$2.00 per hundredweight more than other cross-bred calves. For more information contact Hal Courtney at 405/795-8887 or Ken Holloway at 405/697-2419.

There are many outstanding Limousin events scheduled for the fall. Check the upcoming events calendars and make plans to attend. The World Limousin Futurity and convention is scheduled for Nov. 11-14 during the American Royal Livestock Show, Kansas City, Mo. This will mark the 10th Anniversary of Limousin and the 5th Annual World Limousin Futurity. The Futurity and Convention have always been exciting events and this year will be no exception.

We hope to see many of our Limousin friends this fall. The market is good and we have a product that is in demand. Let's spread "the word".

## Dave Hawkins Judges National Limousin Junior Heifer Show

DAVE HAWKINS

The National Limousin Junior Heifer Show will be held this year in Kansas City, Missouri in conjunction with the 1978 American Royal. The show is scheduled to start at 1:00 p.m. on Sunday, November 12, 1978. The judge for the show will be Dr. Dave Hawkins from Michigan State University at East Lansing, Michigan. Dr. Hawkins is in charge of the very successful Purdue Polled Hereford and Angus herds at the University of Michigan. Up and this past year he has coached the livestock judging teams and is known across the U. S. as a highly respected cattle judge. He has been involved in research dealing with beef cattle production and is experienced in all phases of the beef industry. Hawkins is in charge of the MSU show cattle and will also be one of the judges for the National Limousin Junior Showmanly Heifer Show.

For more information about the National Junior Heifer Show, contact NALP, 100 Livestock Exchange Bldg., Denver, Colo. 80216.

Limousin Meeting

GLEN KLIPPENSTEIN

The annual meeting of the North American Limousin Foundation will be held on Tuesday, November 14, 1978, at the Muehleback Hotel in Kansas City, Missouri. The event is scheduled to start at 8:00 a.m. with breakfast and program followed by a session of Directors.

The program will be headed up by well known cattle breeder, Glen Klippenstein of Maysville, Missouri. Klippenstein has been a leader in the Polled Hereford and Hereford breeds for many years, emphasizing performance and profitability with his cattle to the commercial men. He has been showing cattle for several years and has served to breed cattle that have high performance and fertility and can still win in the show ring. Glen Klippenstein and his new Angus breeders and have recently topped the All American Angus Futurity with the Grand Champion Bull that was named the Supreme Champion and the Reserved Champion Bull. Glen's remarks will be directed toward "The Purebred Cattleman's Philosophy" or "Small Thinking People Never Get Anywhere".

## Texas Brangus Breeders Association News By LAUREN MAYHEW

Proven producers were in the spotlight at the Choya-Brink's General Influence Sale, August 12th in Kerrville, Tx., as 69½ lots grossed \$386,050 for an average of \$5,592. Most lots in the sale were either sired by "General", Brink's Carson 351/0; bred to General, or had the "General" influence in their pedigree.

A 1/8 interest and 1200 ampules of semen in the golden certified meat also brought \$19,100 from J. F. Sanderson, Pine Lane Ranch, Laurel, Ms., to start the sale. "General's" dam, Queen of Riverby 042/0, an 11 year old daughter of Riverby Nomad 805, sold for \$20,000 with a February 1978 Hopi Heifer Calf at side, to P & P Farms, Union, Ky. Highlight of the sale was the top selling female, Miss BB General 62C, daughter of General bred to WSR Cloud 942 going to Salem Brangus, Winston-Salem, N.C. for \$30,000. Top open heifer was Miss BB Patton 95C, granddaughter of "General", selling to Hondo Creek Ranch for \$9,000.

A young Choya herd sire prospect, "Major General", Brink's General 779/8, a son of General, brought \$10,000 for 1/8 semen interest and two breeding rights going to Willow Springs Ranch, Burton, Tx. and Dr. Richard Hundley, Brookshire, Tx.

A total of 21 buyers from five states purchased cattle at the sale with Hondo Creek Ranch, Sanders, Tx., the volume buyers taking home lots totaling \$107,800.

Clayton & Modesta Williams hosted their First Production Sale at the ranch near Alpine, Tx., selling 69 5/6 lots to average \$4,228. Top selling bull was a son of Rocky Joe 650, Pueblo Joe 21/7. The heaviest weaning calf at Williams Brangus last year, this bull had a 208 day adjusted weight of 728 pounds. He brought \$11,000 on a bid from Brink's Brangus, Round Top, Tx., and Brazos Valley Ranch, Simonton, Texas for 2/8 interest and full possession. Two show heifer prospects by Rocky Joe 650 each sold for \$8,000 with Miss Williams 626 2/7 going to Plum Creek Ranches, Fairfield, Tx., & Miss Williams 650/54/7 selling to Douglas Brice, Leakey, Tx. and Brink's Brangus. Two females also share the top selling honors in bred heifers, each bringing \$7,000. Miss Williams 228/6 by PW Georgia Boy 228/3 sold to Plum Creek Ranches and Miss Williams 488/7 went to Brink's Brangus and Windy Acres.

Following the sale, Clayton & Modesta Williams, owners of Williams Brangus, and Ted & Addie Gray, co-hosted a post sale celebration which featured Terry Davis and the Nash-

# BRANGUS For Feeder Calf Profits.

Black Baldies, (Brangus/Hereford crosses), are in strong demand by feeders and bring top market prices for you!

Black Baldies are an ideal feeder animal. Ask any commercial cowman about the great calves with "a little ear". Medium-sized at birth, they make calving easy for any type of cow. They gain quickly on feed or forage, and average 75 to 100 pounds heavier at weaning than English breeds.

Brangus feeders mean fewer problems for the operator because they are adaptable to climactic extremes and are pest and disease resistant. But most important, Brangus feeders are consistently PROFITABLE. They lay down internal fat early and finish early with enough marbling to grade choice. Brangus calves are preferred — by stockers, feeders, packers, and consumers. If you want PROFIT, you need BRANGUS!

LB Liliana 120/6, a September 1976 daughter of DLC Mr. 75/3, could be a welcome asset to your present cow herd. This tremendous heifer is safe in calf to Mr. JWH Tom Tom 68/3 (a full brother to Tom Tom 68/2 — CMS.) This year he outperformed all other Leonard Brangus herd bulls by siring the heaviest weaning calf crop to date! Watch for this bred female to sell at the Pan American Brangus Classic, Oct. 6, at Dallas, Texas.

# Our Girl Friday . . .

By ANN SYLER

I have just heard the most incredible thing! The Postal Department is in the process of adding four more numbers to zip codes — which, they say, will make for more efficiency! This will mean nine numbers, like 987654321 — and can you imagine the proof-reading that will have to go on in an office, because if one number is wrong the mail will go astray! I am the person who makes a very poor navigator, even, because I don't like going by numbers. I'd much prefer fun to go from "town to town" and not "highway number such and such north" — and I'd still prefer the mail travel this way — just to the town and not to a number that takes up half the width of an envelope. And I am always immediately suspicious of anything that "makes it more efficient." Computers are supposed to aid this "efficiency" in our world — and have you ever known that to work?

The summer is gone — and where? But I can't say that I am sorry. It has been an unusual time, in Texas at least, a time of severe drought in our normally rainy areas and a time of rain in our arid areas — we have had heat waves to break all existing records, both for the length of time they covered as well as for their intensity; and we have had record breaking floods. But then, on the brighter side, we have also had record-breaking Brangus sales! We had one record-breaking sale of a burro (I believe in other areas they are called "donkeys") and I'd better back up and say we had "what we believe to be" a record-breaking sale of a burro. At Clayton & Modesta Williams' sale in Alpine we sold one for \$3,000.00 — and sold their Brangus cattle for an average of \$4,250.00. Incidentally, Kenneth Wendland approached me after the sale to perhaps form a "joint-venture" for

(the marketing of burros?)

It has been a summer that found us home only 9 days in June; 5 days in July and about 10 days in August (I haven't looked back on the calendar yet and counted for sure, but in thinking about this I believe the 10 days will be a little high). We have traveled all over Texas, all over the Southeastern United States; have covered the state of Oklahoma from corner to corner (my 8 year old grandson calls it Hokahoma — our wonderful Mexican foreman still refers to it as "Hoop-la-tuma" — we had a pasture of cows years ago that we had purchased in Oklahoma and they were always known as the "Hoop-la-tuma" cows; we journeyed to Missouri, Kansas, Nebraska; we left not an inch of Arkansas unturned — All of this in preparation for the Fall Brangus sales. These begin officially with Granada's Production Sale on September 30th; on October 6th at the "Pan American Brangus Classic," which set a record last year at Dallas by out-averaging all breeds sold at Dallas (and it would behoove us in the

Page 20A WEEKLY LIVESTOCK REPORTER September 21, 1978

Brangus breed to see that this continued) — followed the next day by Diamond N's Annual Production Sale. Be sure and see the schedule of events for this great week-end in our personal ad which is in this issue! And check all the other calendars for the Brangus sales in an area near you. Matt and I have just celebrated our 28th wedding anniversary. September 2nd — with Paul and Georgia Horn, who also have a September 2nd anniversary date. While in Ft. Worth with them we always visit a dining place with a menu that I "steal" (I'd rather say "keep for a souvenir", which is what they request that you do) from which I have over the years used for quotes in this column. For instance, they print "Little Gems of Wisdom" — "Concili is God's gift to little men"; "Sometimes one pays most for the things one gets for nothing"; "To be little is to be little"; "Men do less than they ought, unless they do all they can"; "The vagabond, when rich, is called a tourist"; "There are people who make no mistakes because they never try to do anything worth doing"; "There is no right way to do a wrong thing"; "They always talk who never think"; "When in doubt, mumble". I was sitting just today in a restaurant and overhearing a conversation — not really eavesdropping or even registering what I heard (about a 38 year old man in the small community who had just died of a heart attack) — until one man said "There's a lot of them here that shouldn't be —"

Oklahoma Brangus Sale Averages \$913 Paul Valley, Okla. — In the Oklahoma "Home of Brangus" consignment production sale here Sept. 9 the 80 lots sold for an average of \$913. Syler Sales Management, Inc., Bartlesville, Okla., managed the sale supervised by Gerald Bowie, West Point, Okla. Three bulls, grossed \$4,100 for an average of \$1366; 10 pairs sold for \$4675 to average \$1144; 12 bred heifers \$9650 to average \$804; and 27 open heifers \$19,028 to average \$705. Buyers representing four states were in the large crowd at the International Sales Arena. Travis Brown's Robinwood Farm, Oklahoma City, topped the sale with bid of \$2700 to purchase a cow with calf at side consigned by Dr. John C. Carzon, R.R. Brangus Farms at Lawton, Okla. Don and Bill Edwards' Dabbs Bros. Farm, Fairview, Okla., consigned a second high selling lot, a bred cow chased on order by Billy Paine of Boyd, Texas. The third high selling lot at \$1850 was a cow with bull calf consigned by Bernard Fluscha's Dabbs Creek Ranch, Muskogee, Okla. (CONT. ON PAGE 28B)

## Texas Polled Hereford NEWS

by Norman Cabaniss  
A full slate of Polled Hereford activities is scheduled for late summer and fall, not the least of which is the Texas Polled Hereford Association Membership Drive. The drive was launched with the September mailing of the TPHA Newsletter and each member is asked to contact potential members and follow breeders across the state and encourage them to be a part of our association. Coming up this weekend in the Floyd Chapman Polled Hereford Dispersal, September 23, 1978, at the ranch located 1 mile south and 1 mile west of Campbell, Texas. Also included in the sale will be a top group of cattle from the J. J. Smiddy herd at Sulphur Springs, Texas. The Texas East Polled Hereford Association met at Tyler, August 19, with 38 members and 5 guests present. Gayle Ingram Quintman was the speaker for the meeting and talked about the importance of advertising our product to sell beef. Ingram outlined a 10 point program for advertising in today's market. Now directors elected were Mrs. Mark Russell and Mr. Alvin Wilson. Andy Glaze of Gilmer was elected President. Don Smith of Canton is Vice-president, and Sandy Glaze is the Secretary-Treasurer. The Texas East Polled Hereford Association Sale was set for Dec. 9 at Mineola. The sale committee is D. T. Carter, Don Smith and Don Hawthorne. Bill and Pat Yowell's Rocking Y Ranch have scheduled their annual bull sale for Oct. 30 at the ranch near Killean. This top offering of Polled Hereford cattle includes a selection for both registered and commercial breeders. The sale is being managed by the Texas Polled Hereford Association. The Texas Junior Polled Hereford Association met August 30 at President Kay Helzer's home at Mansfield, Texas. Plans were discussed for the 1979 Preview Show and the 1978 Junior

### Wool & Mohair

National Wool Market Review, Sept. 16 (USDA) — Confirmed trading on domestic wool very limited outside of the interest shown at the North Central Sealed Bid Sale in Boston on Tuesday. At that sale 964,000 lbs. of wool was offered and sold at prices 5 cents to mostly 10 cents higher than recent sales of comparable wools. No sales confirmed late in the week. At private treaty near 200,000 lbs. 62's and 64's eight-month wool sold in Arizona from 60 to 68 cents, mostly 65 to 67 cents grease job. Trading on mohair slowed this week. At Sonora on September 8 245,000 lbs. original average sold \$12.50-13.10; fine adult 6.30, kid 7.90 but subject to discounts for defect on take-up.

## Beefmasters, Art Works to Sell At Fort Worth Oct. 6

Fort Worth — Original water colors, pencil drawings, oil paintings, etchings, weavings, tapestries and other works of art selling along with complete dispersal of the Lick Skillet Beefmasters herd at Fort Worth Livestock Exchange Oct. 6 might seem strange to some, but to Lionel Bevan III, one of the Lick Skillet owners, it's a very normal thing.

Having started in the Beefmaster business five years ago in Mississippi after purchasing a Beefmaster bull to use on his commercial cows, Bevan has since moved to Fort Worth and somewhat incidentally became involved in the arts to such a point that now his "Everlasting Productions" firm is larger than the cattle operation.

"In fact, Lick Skillet Beefmasters is now a subsidiary of Everlasting Productions," Bevan said.

"Everlasting Productions will be presenting a dual offering of the Texas heritage that has moved from regional acceptance to national recognition — the heritage of its livestock and its art. The auction includes the complete dispersal of 115 Beefmasters and a fine selection of Registered quarter horses, as well as about 90 works of art by some locally famous artists who are rapidly gaining a wide recognition," Bevan said.

This art showing will be the first time, for instance, that two Fort Worth brothers and a sister will have ever shown their original paintings together. They are Scott Gentling, Stuart Gentling and Suzanne Gentling, whose original paintings will show courtesy of The New Gallery in Fort Worth.

Also to be shown and sold are ceramics; weavings designed by Robert Wade and other contemporary artists; drawings by Dennis and Daniel Blagg; (famed to define a trend; heifers also rather slow and not fully established, limited sales steady to weak. Demand good and buyer inquiry fairly broad but sellers maintaining a firm position. Steers Monday 400. One set choice 2-4 1125-1150 lbs. 55.50. Heifers confirmed Monday 1,550. Choice 2-4 800-950 lbs. 53.00-53.50.

Top Beefmaster cows with good calves like this are typical of the 115 head to sell in the Lick Skillet Beefmaster dispersal at Fort Worth Livestock Exchange Oct. 6. Like many of the other cows in the herd, Lionel Bevan selected this cow as a heifer from the Leo A. Jaski & Sons L.J. Bar Ranch herd at Pleasanton.

Sid, Lick Skillet Beefmaster's herd sire who weighs 2000 pounds in range condition and consistently sires calves that wean at six months of age weighing 600 pounds or more, will have at least 30 calves at side of their dams, and the dams rebred to Sid in the Lick Skillet Beefmaster dispersal sale at the Fort Worth Livestock Exchange Oct. 6.

pastels and acrylics by Kurt Lumpkins; an original by Fritz Scholer, and more. The art works will be shown and sold in the lobby of the Livestock Exchange Building at noon Oct. 6, and the cattle sale will begin in the arena about 1:15 p.m. that day.

The Beefmasters selling include 40 pairs, most three-in-one packages; 30 bred cows and heifers; three open heifers; four bulls including the Lick Skillet herd sire, Sid; and 10 registered Quarter Horses.

The Beefmasters are pasture raised and performance tested by New Wave Agricultural Production Systems, a total management concept originated by Bevan. The heavy milking cows consistently wean calves that weigh 600 pounds or more at six months of age. The Lick Skillet cows came from the top performance tested herds in the Beefmaster World including Jaski, Cherokee, Generator, Herring, Hix and Leaster.

An example of the extreme growth/line of the Lick Skillet Beefmasters is a Leaster bred herd sire that pasture gained 240 pounds in 45 days.

Although the Lick Skillet herd owned by Bevan and Barney Holland will be completely dispersed, Bevan plans to remain in the Beefmaster business and add a herd of Longhorns with the cattle to be run on land he has leased at Benbrook, southwest of Fort Worth.

Most of the Lick Skillet herd is registered with Beefmaster Breeders Universal, with some "papered" with the National Beefmaster Assn. and

"This is one of the good Beefmaster bred heifers selling in the Lick Skillet dispersal Oct. 6 at the Fort Worth Stockyards. About 30 pieces of art in many forms will be sold in the Livestock Exchange Building lobby at noon prior to the cattle sale."

some with the Foundation Beefmaster Assn.

"When we saw the fine job of remodeling just being completed on the Livestock Exchange building and stockyards, we thought something should be done to show off the improvements to as many people as possible, and we could think of no better way of attracting a cross section of viewers than having a combined art show and sale and a cattle and horse sale," Bevan said.

Murray Handle Beefmasters, Granbury, will be a guest consignor to the sale with 14 head. For more information contact Lionel Bevan III, Suite 232, Livestock Exchange Building, Fort Worth, Texas 76108, phone 817/624-3763.

# SANTA GERTRUDIS NEWS

The Santa Circuit

by BUDDY SMITH

September and October are going to be big months for the Santa Gertrudis World. Some of the approved shows coming up are: Decatur, Ala., September 14 at 5:00 p.m.; Brenham, Texas, September 21 at 9:00 a.m.; Nashville, Tenn., September 22 at 9:00 a.m.; Memphis, Tenn., September 28 at 9:00 a.m.; Oklahoma City, Okla., September 29 at 4:00 p.m.; Tyler, Texas, September 27 at 9:00 a.m.; Tulsa, Okla., October 2 at 9:00 p.m.; Dallas, Texas, October 9 at 9:00 a.m.; Beaumont, Texas, October 14 at 2:00 p.m.; Alice, Texas, October 19 at 9:00 a.m.; Shreveport, La., October 28 at 12:00 noon; Kansas City, Mo., November 15. I hope to see you at these shows. The interest in exhibiting Santa Gertrudis has steadily increased every year. There are many new faces on the road and a lot of new winners in the winner circle.

We just completed a show circuit in Missouri, Indiana and Kentucky and the response to Santa Gertrudis was unbelievable.

Springfield, Mo. winners were: Mayfair Ranch's 147 - Grand Champion Female; Joe Marchman Ranches' "Jomar" 137 - Grand Champion Bull; Reserve Champion Female was Sabinske's "Starlet" 708 and Reserve Champion Bull was Mayfair Ranch's "Mountain Man" 824.

Indianapolis, Indiana winners were: Joe Marchman's "Juliana" 17 - Grand Champion Female; Reserve Champion Female was Bob Harris' "Jubilee" 411/8; Grand Champion Bull was Clarence Plantation's two year old bull; with Reserve Champion Bull going to Joe Marchman's "Jomar" 137.

Louisville, Ky. winners were: Grand Champion Female - Joe Marchman's "Juliana" 17; Reserve Champion Female was Joe Marchman's "Victoria" 157; Grand Champion Bull was Joe Marchman's "Jomar" 137; Reserve Champion Bull was Bob White's 87.

Sedalia, Mo. winners were: Trails End Ranch 7/21 - Grand Champion Female and Heirachak's "Duke" was Grand Champion Bull.

This upcoming show season promises to be an exciting one with all of the top cattle on the road. I predict a lot of different winners due to the fact that most all classes have several animals in them that are good candidates for the championship honors. If you haven't attended a show in the last few seasons, I suggest you come out and see how the Santos have improved their overall quality.

Not only is the show season cranking up for Santos, but the Fall Sale circuit is upon us. The first sale will be the Mid-America Association Sale at Poplar Bluff, Mo., September 30. The Nine Bar Ranch Annual Production Sale at Cypress, Texas, October 2. The Annual Briggs Ranch Production Sale at San Antonio, Texas, October 4. The Pioneer Breeders Sale at Agua Dulce, Texas, October 5. The Annual South Texas Association Sale at Alice, Texas, October 6. The King Ranch Annual Bull Sale at Kingsville, Texas, October 7. The Premier Association Prestige Sale at Dallas, Texas, October 8 and the

Heart of Dixie Sale at Gulfman, Ala., October 30.

The Mid-Coast Association Range Bull Sale that was scheduled for November 4 at Brenham, Texas, has been cancelled. There just aren't enough breeding age bulls in the country to warrant a sale. That's great! Most of the ranches I have visited lately have been sold out of bulls. The demand for Santa bulls is greater than the supply.

**Pioneer Santa Gertrudis Breeders Assn. Sale Scheduled Oct. 5**

Agua Dulce, Texas - The Pioneer Santa Gertrudis Breeders Association has scheduled Thursday, Oct. 5, as the date for their annual sale. The setting for this prestigious offering of high quality animals will be the historic Rancho La Puerta de Agua Dulce, located near Agua Dulce, Texas, which is owned by Mr. and Mrs. Bolton Kleberg Johnson.

For many years this sale has been recognized as one in which only the extreme tops from the herds of Association members have been consigned and sold. According to B. K. Johnson, "The ten breeders providing cattle for this sale do so with the full realization of the high standards of quality set by the founders of this Association. They are all dedicated to the improvement of Santa Gertrudis cattle and

**Kevin Chiles Awarded Robert Shelton Santa Gertrudis Scholarship**

Kingsville - Santa Gertrudis Breeders International is pleased to announce Kevin L. Chiles as the recipient of the Robert S. Shelton Endowed Santa Gertrudis Scholarship at Texas A&M University.

The Robert S. Shelton Endowed Santa Gertrudis Scholarship provides a minimum amount of \$1,200 annually to a student enrolled in the College of Agriculture at Texas A&M University. Criteria used in the selection process include academic record, past achievements, financial need, and potential to succeed. Robert S. Shelton, a well-known Santa Gertrudis cattleman, also desired that the scholar-ship go to a youth involved with the Santa Gertrudis breed.

Chiles will enter the university this fall as a freshman Agricultural Engineering major. Son of Mr. and Mrs. Mabry L. Chiles of Cotulla, Texas, Kevin's qualifications include many academic as well as cattle related achievements. He ranked fifth in the 1978 graduating class of Cotulla High School, with an A grade average. Other honors include National Honor Society, four-year Student Council member, American Legion Boys' State in 1977 and being listed in Who's Who Among American High School Students. Kevin was also active in band and athletics at Cotulla High School.

A member of the Cotulla FFA Chapter, he was active on FFA judging teams, helping lead the Grass Judging team to first place in both district and area competition. During his senior year, his leadership team won district competition and placed a very close second in Area X competition.

In addition, he has exhibited his cattle at the San Antonio and Houston Livestock Shows and placed 8th out of a class of 67 at the 1977 Houston Show. His yearling heifer won reserve champion female at the 1978 Laredo International Fair and Expo, and he placed first in the junior yearling heifer class at the LaSalle County Fair.

A two-year member of SGBI, Kevin currently owns three purebred Santa Gertrudis and plans to increase the size of his herd.

He feels it is a great honor to be selected as the 1978-79 scholarship recipient. His family is also very pleased as Kevin will be a freshman and his brother, Mark, will be a sophomore at A&M. In addition, Kevin received a

## Santa Gertrudis Show at Pan-Am Scheduled to Be One of Largest

One of the larger shows in the history of the Santa Gertrudis breed is expected to take place at the 26th Annual Pan-American Livestock Exposition at Dallas, October 8, when some 250 head of cattle compete in the open show for \$4,500 in premiums. "It will be difficult to have a better show than the 1977 National, but we will give it our best", stated Don Clark, Director of the Livestock Department. The Junior Santa Gertrudis Heifer Show will be held on Thursday, October 19, with premiums of \$2,000 available to the winners. Participation with premiums of \$500 each from the A. R. Fellrath and Bert Dedmon creates the most premiums offered to Junior Santa Gertrudis exhibitors in any show in the world. Clark added. Total cash premiums for Santa Gertrudis exhibitors at the 1978 Pan-American are \$6,500, plus trophies provided by the Premier Association. The 15th Annual Premier Prestige Sale, Sunday, October 8, at 3:00 p.m. will be the climax of the Santa Gertrudis activities at the Pan American.

## Replacement Cattle Post Gains Again During Past Week

St. Joseph, Sept. 16 (USDA) - National feeder cattle and calf receipts this week 288,900 compared with 220,000 the holiday shortened week last week and 288,400 a year ago. For the fourth consecutive week prices for feeder cattle and calves recorded substantial gains. Although numbers were materially increased over recent supplies, optimism prevailed in view of additional price increases for slaughter steers and heifers.

Feeder prices over the nation generally ranged steady to 3.50 high instances 4.00 up and Arkansas some steers under 400 lbs. as much as 6.00 higher. On the other hand, lucky had choice steers under 600 lbs. 2.00-5.00 off. Most prices and trends were established prior to the release of Thursday's cattle on the report which reported an increase in numbers on feed in the seven states 18% and record placement on feed August of 1.74 million head.

One can only wait and see what the tide prevails in subsequent trading sessions for feeders; however, late cattle futures saw prices for the next months September thru May, fall 1.32 to the limit 1.50.

# MAINE-ANJOU NEWS

## Maine-Anjou Sale Set Oct. 7 In Waco Fairgrounds

Waco — The Texas Maine-Anjou Association will hold a consignment sale in the Red Barn on the Heart of Texas Fairgrounds here Oct. 7 at 8 p.m., according to John Rogers, Waco, sale chairman.

Rogers said the offering of 70 lots will include fullblood and bred heifers; purebreds; bred and open three-quarters; and bred half-bloods. Also available will be Brah-Maines and registered Black Maines.

Sale headquarters will be the Quality Inn West 4801 W. Waco Drive, phone 817/772-7830. A pre-sale party will be held at the sale site beginning at 6 p.m. Oct. 7, prior to the sale.

Paul Leonard III, Fort Worth, president of the association, said "This will be the finest offering of Maine-Anjou ever put together for a sale because the breed is older and the quality has constantly improved."

For further information contact John Rogers, Sale Chairman, Waco, Texas, phone 817/753-8712, or Paul Leonard III, President of TMAA, Fort Worth, phone 817/335-4261.

In the group will be buyers from the leading supermarkets, dept. stores, wholesale firms, and trading companies in Japan.

A purpose of over \$14,000 was awarded to the top notch Calcutta steers.

## Steer Calcutta Test In Maine-Anjou Favor

The American Maine-Anjou Association, in conjunction with the Cactus Feeders, Inc., feedlot in Cactus, Texas, recently announced the final results of their Steer Calcutta Test. After being on test for 140 days, the thirty 3/8-blood or better Maine-Anjou steers were judged on carcass conformation with particular attention paid to quality grade, yield grade, and percent of retail cutability.

Champion Carcass was won by a Maine-Anjou Hereford base steer owned by John Rogers, Waco, Texas. Rogers' steer had an 18.0 in. ribeye area, a live weight of 1430 lbs., had a 92 lb. carcass weight, and a yield grade of 1.7. Reserve Champion Carcass was awarded a Maine-Anjou steer out of Covino III and owned by G & F Cattle Co., Brownwood, Texas.

This outstanding steer dressed 64.2% and has a 1.8 USDA yield grade. Third Place Carcass honors were captured by a Maine-Anjou/Angus cross that turned in the highest dressing percent of any animal on test at 72.0 percent, and also had the highest percent of retail cutability at 82.8. Fourth Place Carcass was won by the Jim Ned Cattle Co., Coleman, Texas. Their steer was also a Maine-Anjou/Angus cross and turned in an average daily gain stat of 3.75. Fifth position went to a steer owned by Gene Scott, Amarillo, Texas. Scott's steer was graded as having the highest percent of retail cutability (83.3), largest ribeye area per hundred weight (19.7) and had a low yield grade of 1.5.

A 1267 pound steer owned by Joe Shuman, Dumas, Texas, turned in the highest average daily gain figure of any steer on test. This outstanding Maine-Anjou steer turned in a 4.05 average daily gain. All steers on test turned in a 3.50 average daily gain.

Frank A. Ortiz, Meats Specialist, Texas A & M Extension Service, and official beef evaluator for the Calcutta, stated "This is the first carcass competition which I have had the opportunity to referee where such a high percent-

## Collins Farm To Disperse Equipment At Waskom Oct. 5

Waskom, Texas — Collins Farm at Waskom will liquidate completely their farm equipment on Thursday, Oct. 5 with complete details and list of equipment to appear in future issues of the Weekly Livestock Reporter.

Further information is available from the sale managers, Double D Auction Service, Route 1, Box 203, Waskom, Texas 75092, Jack Dillard, phone 214/687-2222, or James Duncan, phone 214/985-5874.

## Western Kansas Directs Movement Is Record

Clode City, Sept. 14 (USDA) — Slaughter steers closed 2.00 higher; slaughter heifers 1.50-2.00 higher. Feedlots are current and the small volume of cattle for sale are in strong hands. Sales total of 77,200 head, a record weekly volume and some 34 percent above the previous record. Steers 51,800; late sales, choice 2-4, mostly 3 1050-1175 lbs. 54.50-55.00; choice with end good 1050-1200 lbs. 53.50-54.50. Heifers 25,400; late sales, choice 2-4, mostly 3 925-1025 lbs. 52.00-53.00, mostly 52.50-53.00; choice with end good 925-1025 lbs. 51.00-52.00; choice with end commercial and good 980-1050 lbs. heifers and heiferettes 49.00-50.50; few mixed commercial to choice heiferettes 1050-1100 lbs. 44.00-48.50. Sales for feedlot net weights after 4 percent shrink.

Age of the carcasses qualified for the Choice grade. In this group of carcasses, 76.7 percent of the carcasses did grade USDA Choice with the remainder falling in the Good grade. Pat Buchen, Executive Secretary of the American Maine-Anjou Association also pointed out, "The performance that our cattle turned in goes to prove that Maines put the statistics where they count. High average daily gains, large ribeye areas, low fat content, and top retail cutability are all traits which the producer, packer and consumer want to see in today's beef."

A purpose of over \$14,000 was awarded to the top notch Calcutta steers.

## Pioneer Days In Fort Worth Stock Yards Sept. 29-30

Fort Worth's western heritage will be celebrated in the historic Stockyards area at Exchange Avenue and Main Street) September 29-30 during the 1978 annual Pioneer Days — festivities which promise to be bigger and better than ever.

Live Country and Western music will be played both days, with Red Steagall & the Columbia County Cowboys as well as Fiddlin' Frankie Burke, playing live street dance in Mule Alley Friday and Saturday nights beginning at 8 p.m. Larry Williams and Roger Keith will provide musical entertainment at the White Elephant Saloon beer garden both nights.

Kicking off the fall rodeo season will be the Central Rodeo Association's annual finals in the historic North Side Coliseum Friday and Saturday nights. The 1978 Pioneer Days Queen will be crowned Friday night during intermission.

All weekend, a 100-piece art exhibit featuring finalists and winners of the Texas Fine Arts show will be on display in the Livestock Exchange Building. Booths of arts, crafts and gift items as well as concessions featuring local foods will be open all day Saturday. Stockyards Stampede, a four-day, half-mile foot race is scheduled from 10 a.m. to 10 p.m. Saturday. All contestants receive Stockyards Stampede T-shirts. The race is co-sponsored by the American Cancer Society and the Fort Worth Runners Club.

A stew cook-off will occur from 11 a.m. to 3 p.m. in the lot adjacent to the Livestock Exchange Building. A major parade with riding clubs, bands, floats and queen contestants will begin at 4 p.m. Saturday.

Additional activities include shootouts, wagon rides, a carnival with rides for both children and adults, Texas Life Symphony concerts, and a children's Play Area which is sponsored by the Fort Worth chapter of American Women in Radio & Television. "About \$4 million in public money has been pumped into the Stockyards area for massive renovation," Waco Franklin, chairman of Pioneer Days, said.

## New Irrigation Traveler Available

Consolidated Pipe & Tube Company, Lubbock, Texas has announced the addition of a self-propelled, small acreage traveler to their long line of irrigation sprinklers.

Known as the LITTLE DUDE model GF 380, the unit operates on a similar concept as a traveling lawn sprinkler, but throws a stream of water as far as 300 feet in diameter. It pulls a 380' length of hose giving the unit a range of 1/8 mile, making it possible to irrigate up to three acres per setting.

The unit, which can be operated on odd shaped fields and rough terrain, was designed for small plots, estates, garden farms, parks and industrial landscapes. It also serves a dual purpose for waste disposal in dairy and hog operations, as well as municipal waste programs.

The force of the stream of water activates a winch attached to an anchored cable to propel the traveling unit on a straight path across the field. By shifting gears the unit can vary the speed to apply from 1/4 to 1 1/4 inches of rain.

The LITTLE DUDE has its own hose reel to facilitate moving and storage.

The company marketing the unit through Ag and Turf Dealers national wide.

For more information call or write: Green Field Traveling Sprinklers, P. O. Box 5886, Lubbock, Texas 79417 (806) 763-5991.

## Hog Outlook Continues Bright

College Station — Hog production has been one of the few bright spots in agriculture for the past year or so. Producers have been receiving good prices and at the same time have kept supplies in line. And things look good down the road. "The real key to good hog prices has been the industry's resistance to over-production which is the usual response to periods of profit," points out Dr. Ernest Davis, livestock marketing specialist with the Texas Agricultural Extension Service. "Both breeding and market hog numbers have increased only 1 percent over a year ago. This means that hog operations should remain profitable through the first half of 1979 and probably longer."

CCC Credit Costs Rising

Interest rates for financing sales of U.S. ag. commodities under Commodity Credit Corporation export credit will go up one percent effective Sept. 18. Kelley M. Harrison, gen'l sales mgr. for the USDA, said the new rates for six to 36 month credit terms will be 9 1/2 pct. with a U.S. bank and 10 1/2 pct. with a foreign bank repayment guarantee.

## East Texas Fair Scheduled Sept. 25-30

Tyler — Attention of cattlemen in East Texas will be focused on Tyler Sept. 25-30 when over 1,000 head of prize-winning beef and dairy breeding animals will be shown in competition.

Two new shows have been added to the lineup this year, Santa Gertrudis and Simmental Cattle, Murdoch said. Other shows include Brahman, Brangus, Charolais, and both horned and polled Herefords. Bill Brady of Wilbourn is general livestock superintendent. Open shows run Sept. 25-26 and 27.

Over 500 dairy and beef breeding animals will be exhibited on Sept. 28 and 30 in shows sponsored by the East Texas Farm and Ranch club, for 4-H and FFA youth.

Dr. J. T. Pinkerton, DVM, president of the club, said that the club members will contribute \$6,000 to the premium fund for the Junior shows for 4-H and FFA exhibitors. The club also sponsors an opening day "Howdy, Neighbor" barbecue honoring visiting livestock exhibitors.

Over 100 commercial and educational exhibits will fill the three exhibit buildings, and about 1,000 exhibits are expected in the 4-H project show in the Mayfair building. Women's building exhibits will exceed 2,000 in the home arts and crafts division.

Entertainment highlights, in addition to the Bill Hames Show's carnival, will be an old-time vaudeville show each night in air-conditioned Harvey Hall, professional clowns will roam the grounds with their balloon giveaways, magic and trained dog acts, and each night on the outdoor stage various school bands will perform, two each evening. Special features include the

famed L.Q. Zoo from Hot Springs National Park and the Zoological Park from Odessa. Last year attendance exceeded 141,000, Murdoch said, with perfect weather.

Judging Schedule and Judges: Charolais, Monday, Sept. 25, 2:00 p.m., Larry Boleman, Bryan. Horned Hereford, Monday, Sept. 25, 7:30 p.m., Doyle Ponder, Hamlin. Junior Beef Show, Saturday, Sept. 30, 8:00 a.m., Jim Sanders, College Station. (Mixed, Charolais, Horned Hereford, and Polled Hereford.)

Mexican Livestock Slaughter Higher

Drought conditions in northeastern Mexico have brought abnormal levels of livestock slaughter, total beef exports and feeder cattle exports to the U.S. Mexico's imports of dairy cattle (mostly bred heifers) could approach 50,000 head for calendar year 1978 if price and other conditions are favorable, but purchases so far have been slower than expected, according to our ag. attache in Mexico City.

### Lake Creek Hereford Sets 2 Day Dispersion For October 5 and 6

Wichita Falls, Texas — The Complete Dispersion of Tom B. Medders & Son Lake Creek Ranch Hereford herd is set for October 5 and 6, 1978. The sale will be held at the ranch located 8 miles south of Wichita Falls on Highway 281.

Selling will be 200 cows with 181 calves, 78 bred heifers, 2 herd bulls and 100 herd bull prospects and range bulls. A special feature of the offering will be the sale of 3/4 interest and full possession of Lake Creek Ranch (formerly EC Mischief 1132), a massive 2,400 pound five-year-old son of EC Mischief D4. Many of the young females in the Lake Creek Hereford herd were sired by this bull, and his get and service will be featured throughout the sale.

The 100 herd bull prospects and range bulls will sell October 6. These are big, rugged, uniform bulls that would normally sell in the Lake Creek fall production sale.

For information on this top offering contact Lake Creek Ranch, Tom B. Medders & Son, 414 City National Bldg., Wichita Falls, Texas 76801, office, 817/322-7821 or ranch, 817/541-2425, Jack Morris, Manager, Mike Morris, Assistant Manager.

### Livestock Producers Got \$161 Million Under

Washington — U.S. livestock producers were provided \$4,484,854 during July to buy feed under the emergency feed program, bringing assistance during the first 10 months of the program to \$181,080,540. Ray Fitzgerald, administrator of the U.S. Department of Agriculture's Agricultural Stabilization and Conservation Service, said that 125,166 applications were received during the period Oct. 1 through July 31. USDA approved 101,818 or 81%.

A word from the wives is usually sufficient.

### Riverwood Farms 2nd Production Sale Scheduled Sept. 30

Paris, Texas — Bill Nealey's Riverwood Farms will put 100 head of top quality gray Brahman cattle on the auction block here, September 30 at 1:00 p.m. This, their second production sale, will be held on the ranch near Paris, Texas.

The offering includes 50 females that will all be bred or have a calf at side as well as 50 bulls. Both top quality herd size prospects and commercial bulls will be of service age, in good flesh and ready to go to work.

The auctioneer is Ike Hamilton and the sale headquarters is the Ramada Inn, Paris, Texas. For reservations call 214/784-8606.

The sale is being managed by World Sales, Route 2, Box 232, Wharton, Texas 77488, telephone 713/342-2085. They can be contacted for more information or you can call Bill Nealey at 214/785-5171.

### Greater East Texas Angus Sale, Oct. 14

Longview, Texas — The Greater East Texas Angus Association Sale will be held October 14, 1978 at Longview Livestock Commission Co. on FM 1845, 2 miles east of Highway 259, or 2 miles west of Eaves Parkway.

Selling will be 60 head of Angus cattle from some of the top Angus breeders in the East Texas area, including Angus females and bulls.

Auctioneer will be Holland Jester. For information contact Jerry Marshall, Sale Chairman, Rt. 1, Box 31A, Gilmer, Texas 75644, 214/794-5312, or the sale management, Texas Angus Association, Jim Reeves, 109 Livestock Exchange Bldg., Fort Worth, 76106, 817/835-2768.

Texas production taxes on oil raised \$426 million in 1977; on gas, \$474 million.

### Rocky Canyon Simmental Sets Dispersion, Oct. 12

Mannford, Okla. — Rocky Canyon Ranch has set a Complete Simmental Dispersion for Thursday, October 12, 1978. Sale time is 12 noon at Mannford, Oklahoma. Selling are 140 lots highlighted by the Simmental herd bull Pinch Apache, a 7/8 cow with 15/16 bull calf and four 7/8 blood 1977 heifers. The offering includes 3/4 blood cows with heifer and bull calves, bred 3/4 cows, fall calves, bred and open 3/4 heifers, half-blood cows with heifer and bull calves, bred halfblood cow and halfblood yearling heifers. Also selling will be three 7/8 bulls and 2-3/4 blood bulls.

### Hix Mixer Beefmaster Sale Set October 14 Near Valley Mills

Valley Mills, Texas — The Hix Mixer Beefmasters 6th production "250 Sale" will be held Saturday, Oct. 14, with lunch at 11 a.m. and the sale beginning at 12 noon at the Hix Ranch on Road 217 10 miles west of Valley Mills, Texas.

From one of the top Beefmaster herds in the World will be selling 250 head including 150 Hix Mixer bred bulls; 50 Hix Mixer open heifers and 50 Hix Mixer bred heifers and cows. The Hix Ranches classifies all of its Hix Mixer cattle itself using the six essentials laid down by the Founders, fertility, milk production, weight, hardiness, disposition and conformation.

W. T. Hix said, "We believe there is no man who can look at a 12-month-old heifer and tell whether or not she possesses these six essentials. Therefore, our classification (since it is voluntary) is the Hix brand and our prefix name, Hix Mixers. We stand on — behind four generations of cattlemen. Our cattle are what we say and they are and what you say they are by seeing our herd and putting your own classification and price on them."

"Since we bought our first Beefmasters from the foundation herd of the breed in 1960, we have bred cattle that excel in hardiness, fertility, length, milk production, appearance, and gentle disposition with enough size to produce growthy 600-700 pound calves at weaning," he added.

The ranch is between Valley Mills and Jonesboro on Highway 217 about 10 miles west of Waco. Bert & Ruben Reyes, San Antonio, will be sale managers and auctioneers. Further information is available from the ranch.

### Agricultural Credit Act of 1978

Here are some of the details contained in the Agricultural Credit Act of 1978, which was signed by President Carter Aug. 4 and became Public Law 95-334. The new law is written in 3 portions:

Title I — Amendments to the Consolidated Farm and Rural Development Act of 1972, which change certain conditions in the existing law.

Title II — Emergency Agricultural Credit Adjustment Act of 1978, which establishes a new economic emergency loan program.

Title III — Extension and Amendment of the Emergency Livestock Credit Act of 1972, and Amendment of the Beef Research and Information Act, which change these 2 laws.

Title I — Here are some amendments to the 1972 law, which amount to changes in existing FmHA programs.

Eligibility for all FmHA ownership and operating loans is extended to corporations, cooperatives and partnerships owned and operated by farmers. This involves direct loans from federal funds, insured loans from revolving loan fund supplied by private investor money, and federally guaranteed loans by private lenders.

Limit for individual farm ownership loans is raised from \$100,000 to \$200,000 for direct and insured loans, and to \$300,000 for guaranteed loans. Ceiling for individual farm operating loans is raised from \$50,000 to \$100,000 for insured loans and to \$200,000 for guaranteed loans.

### Upper Sabine Hereford Association Sale Set Sept. 30 At Bonham

Bonham, Texas — The 20th Anniversary Sale of the Upper Sabine Hereford Assn. will be held Saturday, Sept. 30, beginning at 1 p.m. in the Bonham Livestock Market, Inc. facilities here. George Williams will be the auctioneer.

Selling will be 25 good quality 18-24-month-old bulls and 16 good quality females including bred and open mature cows and heifers.

Consignors are Matthew M. Butschek, Dallas; Henry C. Chappell, Pecos; Gary D. J. Clay Freney, Oklahoma; Gilford Hereford, Greenville; W. C. Griffith, Leonard; Troy Springs, Cecil O. Wilkins, Kennett; David B. McCall, Plano; H. C. Mercer, Ennis; James Y. Reid, Dallas; Charles E. Richardson, Sulphur Springs; Cecil O. Wilkins, Kennett; Troy Woolf, Bowie, and Bob F. Young, Dallas.

For information or catalog contact Bob F. Young, President, Upper Sabine Hereford Assn., 7003 Southridge Drive, Dallas, Texas 75214, or James Y. Reid, secretary, the loan will be covered by the guarantee even if made after Sept. 30, 1978.

The category of bona fide farmers and ranchers eligible under the act is expanded to include "bone fide farmers or ranchers owning livestock that are fed in custom feedyards."

The Beef Research and Information Act is amended so that a majority of registered cattle producers can win a referendum under the law, instead of a two-thirds majority.

USDA is authorized to make payments to producers who carry out emergency measures to control wind erosion and damage from floods and hurricanes, or to rehabilitate farmlands damaged under certain circumstances by wind erosion, floods, hurricanes or other natural disasters. An identical emergency conservation program has been in effect since 1957 under appropriation and soil conservation legislation.

Lunch will be available at the sale site. For more detailed information contact Johnny Watkins Auction Service, Route 6, Box 765, Waco, Texas 76706, phone 817/881-1941.

### 3X Ranch Holds Centennial Fete

Placedo, Tx. — Over 250 people attended Joe and Emily Dial's 3X Ranch "Centennial Celebration" here August 7. The guests helped the Dials celebrate their 100th year of continuously breeding Brahman cattle by the same family on the same ranch.

Following a viewing of the 3X show cattle, guests climbed onto haywagons for a tour of the ranch and their three different types of Brahman. The Dials maintain a herd of Grey American Brahman (predominantly Guzerat bloodline), a herd of American Red Brahman and a herd of grey Indian Brahman.

## Salem Brangus Buys \$50,000 Brangus Female From Brinks

(CONT. FROM PAGE 15A)  
ing shares and no possession of Miss BB Beeson 193Y for \$25,000. This makes this four year old cow the most valuable female in the Brangus breed, giving her a value of \$50,000. Salem Brangus, a new Brangus breeding firm established this year, is owned by Thomas Tesque, A. G. Foster, W. D. "Doug" Foster and E. A. Myers.

With the purchase of Miss BB Beeson 193Y, they also purchased breeding shares in two other Brink cows. All three of these cows will remain at Brinks in their embryo transfer program. After Miss BB Beeson 193Y's calf that was born on 2/15/78, Brinks transferred 46 embryos in a forty-five day span. Then Brinks bred her to have a natural calf in the Spring of 1979. Miss BB Beeson 193Y is a four year old Beeson daughter with her third calf at side. Her first calf, Miss BB Kojak 1981, was born when she was 24 months old. She was recently sold to H. B. Lively, Hondo Creek Ranch, Bandera, Texas, for \$8,000. Her second calf, Miss BB General 193Y, was the 1978 International Heifer Calf Champion and Reserve Grand Champion, 1978 Tucson

Larry Gardner, co-owner of Willow Springs Ranch, is seen with a group of people at the Willow Springs Ranch Brangus sale Aug. 26, which grossed \$303,300 on 60 lots for an average of \$5055.

## Williams Brangus Average \$4,022

Alpine, Texas - Clayton and Modesta Williams Brangus production sale here Aug. 19 grossed \$252,850 on 59 and five-sixths lots of cattle for an average of \$4,022. The sale was managed by Matt and Ann Syller of Syller Sales Management, Inc., Burton, and auctioneered by Bert & Ruben Reyes, San Antonio.

A son of WSR Cloud 942, WSR 942 Son 827, brought \$12,750 from a new Brangus breeder - Tom Turner of Horseshoe T Ranch, Princeton, Ore. The January 1977, third generation headstip, and New Mexico weight of 1,020 lbs. and had Rocky Joe breeding on his dam's side.

Leading the bred female offering was WSR Miss 950-20, a two-year-old Rocky Joe 650 daughter. Her sire was the 1974 and 1975 International Grand Champion Bull and dam goes back to Nomad of Riverby 203. This fourth generation female was bred in January to Brink's Elefante 859/8 and sold for \$10,100 to Lee Hurdley.

WSR Miss 942-225, a third generation daughter of WSR Cloud 942, sold to Brink's Brangus, Kerrville, Texas, on a \$3,600 bid. This 10-month-old open heifer had a 205 day weight of 522 lbs. and is out of a daughter of Brink's Carson 351/8 (Genesys 2385).

The breakdown on averages is as follows: 14 bulls, \$5,232; 19 pairs, \$3,468; 21 bred females, \$4,807; 6 open heifers, \$2,800; and 60 total lots, \$5,056. The sale manager was P & F Cattle Co., Belville, Texas and the auctioneer was Bill Lefty, Lincoln, Calif.

Clayton Williams, at left, welcomed a large crowd to his Brangus sale at Alpine, while Bob Smith, center, executive sidekick to Williams, and Matt Syller, Burton, sale manager, look on. The sale grossed \$252,850 on 59 and five-sixths lots for an average of \$4222.

Dr. Harold Brumley, left, owner of the Cuatro B Brangus Ranch at Elgin, and Mrs. Brumley, at right, show pleasure at results of Dr. Brumley's sale which grossed \$180,950 on 19 and one-third lots for an average of \$3607.

Topping the females was an open heifer by Brink's Mac Tlan 6/4 purchased by Brink's Brangus, Kerrville, and Windy Acres Ranch, for \$12,000. Texas Art Gallery, Dallas, paid \$5,000 for an open heifer, Harris Farms, Columbus, \$5,000 for a bred heifer, Parnell & Olsom, Midland, \$5,000 for a bred heifer, Billy Harry, Sulphur Springs, \$4,000 for a bred heifer, Plum Creek Ranch, Fairfield, \$7,000 for a bred heifer, and Granada Land & Cattle Co., \$5,000 for a bred heifer.
